# State Team Postal Match Results

# The NRA's PPC State Team Postal Match was conceived and instituted in 1992.

A state's Postal Team is comprised of the top six competitor scores as shot at their State Championship. Each competitor must reside in the state whose team he/she is a member of. At the end of the year, the highest scoring State Postal Team is announced at the end of the calendar year from those teams submitting Postal Team Scores.

Each State Postal Team member receives a brassard and hat pin, with the high scoring state team members receiving the NRA Police Pistol Combat State Team Medal.
