State Team
Postal Match
Results**

The NRA's PPC State Team Postal Match was conceived and instituted in 1992.

A state's Postal Team is comprised of the top six competitor scores as shot at their State Championship. Each competitor must reside in the state whose team he/she is a member of. At the end of the year, the highest scoring State Postal Team is announced from those teams submitting Postal Team Scores.

Each State Postal Team member receives a brassard and hat pin, with the high scoring state team members receiving the NRA Police Pistol Combat State Team Medal.
