When you and the other two Perimeter Cover officers radio in that you are in position and set, the Entry Team will begin their operation. Unknown to you, you were seen walking into the woods from the assembly area by one of the residents of the target house who was driving back from a liquor store. Just as you approach the garage you are ambushed by suspects from the target house. On the Start Signal, from within FA-1 engage Threat Targets 1 and 2 with your Duty Handgun. Holster and transition to your Patrol Rifle and engage Threat Targets 3 thru 18 from within Firing Area 2. There is a First Shot Time Requirement of 2 Seconds. Penalty = Actual First Shot Time
