| <b>Course Description:</b> You are at the police station to handle a walk-in vandalism report. You and the complainant are seated in a small door-less interview room adjacent to the public lobby of the station. When you met the complainant in the lobby, there was a group of 5 or 6 men and woman bikers, some wearing colors that you do not recognize, at the dispatch window asking about someone who has been arrested. While recording the complainants information you hear loud voices and cussing from the group in the lobby, hear them demanding the release of their brother, to see the officer who arrested him, threats to “kick the officers ass” and those in communications if they don’t get the officer. Just before you decide to go to the lobby and intervene, you hear a female yell, “I’ll shoot your ass.” As you get up to go to the lobby, you see a male subject heading your way with a gun in his hand. At the same time the complainant stands and is now between you and the armed suspect.<br>On signal, stand, push the complainant out of the way, and engage Threat Targets 1 thru 6 from within the Firing Area. |  |  |
