<b>Targets:</b> 7 Paper	<b>Scoring:</b> TPC - Best 2 Hits on Paper

<b>Start Position:</b> Handgun Loaded & Holstered. Sitting on bench between marks indicated. Head forward, elbows on table with both hands holding simulated sandwich approximately 2 inches from mouth. Legs covered with Ballistic Safety Blanket.		
<b>Course Description:</b> Two civilian friends have joined you for breakfast and coffee at the local café your officers like to visit. You picked up your food and are seated in one of the side rooms. The table and seats are fixed to the floor as one unit. You are seated on the inside seat and one of your friends is seated to your left. Your other friend is seated opposite the two of you. While eating you hear screaming and someone yelling about a gun from the front of the café and then see a man <u>behind you</u> in your peripheral vision. You turn your head to see what is going on and see he has a gun and he begins firing. Because of the person seated next to you, you cannot immediately get up to fire. On the Start Signal, while seated engage Threat Targets 1 and 2. Your friend seated next to you has been shot and you need to move him to get up and get him on the floor for his safety. Then move to Firing Area 2 and engage Threat Targets 3 through 7.
