**Start Position:** Loaded Handgun secured in holster. Standing with heel on marked spot on Firing Area Box. Arm fully extended holding inert pepper spray training unit at eye level aiming toward center Non-Threat Target.

**Course Description:** You are backing up two officers who are arresting an individual for drunk in public at a local night club parking lot. The subject is resisting and has been forced to the ground to be handcuffed. You hear shouting behind you and see several of the suspect's friends approaching yelling profanity, telling you to let their friend go and shouting police brutality. You step away from the other officers to intercept the approaching group. You attempt to verbally defuse the situation, given commands for them to step away and after their non-compliance have warned that you will Pepper Spray them if they do not comply. You have just decided to use your Pepper Spray when you see three additional individuals running towards you waving large knives and shouting "kill the cops". On the Start Signal, engage Threat Targets 1 thru 3 as seen. For the purpose of this COF, use of lethal force necessary.
