Course: 3	Course Name: Sonic Blast	H-1065
Course Type: Scenario Based	Start/Stop: Shot Timer / Last Shot - 180 Max Time	
Targets: 15 Paper	Scoring: TPC - Best 2 Hits on Paper	
Firearms / Rounds Required: Duty Handgun = 30 Rounds		
Start Position: Holstered loaded Duty Handgun. Seated at table facing down range with both elbows on table, fingers interlaced with chin on top of fingers and feet and knees fully under table.		
Course Description: You work as a uniformed patrol officer working the 1900 to 0700 shift. You have groomed a subject you arrested several times for misdemeanor marijuana violations that you always suspected as being a small time dealer as a confidential informant. You try to meet with him every few weeks to see if he has heard anything about committed crimes in the area. You called him about an hour earlier, told him to meet you at the Sonics in your area, and to sit at one of the outside tables, and that you would arrive later and casually happen to sit at the same table. As you sit talking to the informant you see a subject dressed in gang related attire come around the corner and raise a gun towards you and the informant. On the Start Signal, engage Threat Target 1 while seated then move to Firing Area 2 and engage Threat Targets 2 through 15 as seen.
