<td><strong>Course Description:</strong></td>
<td>You just arrived at a warehouse distribution center for an active shooter. Several officers have already entered the building attempting to find the shooter and they radio you to enter and link up with them. Once in the building you come under fire. On the Start Signal, move down the hallway and clear rooms as you move, engaging Threat Targets 1 thru 24 as seen from within Firing Area. All walls are cover and the center divider represents a 10 foot high wall. Shooter may move as they desire but muzzle discipline must be maintained downrange and muzzle down at all times.</td>
