# **Police Pistol Combat Program**

**The NRA's Police Pistol Combat State Team Postal Match was conceived and instituted in 1992.**

**A state's Postal Team is comprised of the top six state resident individual competitors identified during their State Championship Police Pistol Combat Tournament. The State's Team then fires the National Postal Team Match to obtain their State's Team Score. The highest scoring State Postal Team is announced from those State Tournaments submitting Postal Team Scores.**

**Each State Postal Team member receives a brassard and hat pin, with the high scoring state team members receiving the NRA Police Pistol Combat State Postal Team Medal.**

# State Postal Match Regulations

*Effective January 7, 2012 states may fire an Open Class Division State Postal Team Match and fire a Duty Gun Division State Postal Team Match. See the Police Pistol Combat Rule Book Appendix for more information.*

These matches are sponsored by the National Rifle Association to assist State Rifle and Pistol Associations in developing more interest in their State Championship Tournaments. There is no entry fee and all NRA Police Pistol Combat Rules apply.

**Teams:** For each Firearm Division one six member team made up of PPC eligible state residents may fire State Team Postal Matches. The State's Team then fires the National Postal Team Match to obtain their State's Team Score.

**Team Selection:** Team members are identified during their State Championship Police Pistol Combat Tournament. See the PPC Rule Book Appendix.

**Course of Fire:** Open Class Match 6 or Match 13 for the Open Class Division Postal Team Match and Stock Service Semi-Automatic Pistol Match 14 for the Duty Gun Division Postal Team Match. For details see the PPC Rule Book.

**Official Witnesses:** The NRA Official Referee or Jury Chairman assigned to the State Championship and the Tournament Director shall act as the Official Witnesses. Each Official Witness must sign the submitted National Police Pistol Combat Postal Team Match Reporting Form to certify the score and that each listed member fired the separate Postal Team Match.

**When Fired:** State Outdoor Police Pistol Combat Championship Tournaments must be fired before December 31<sup>st</sup> in order to enter a team in the State Team Postal Match for that year. The fired Postal Team Match Reporting Form, properly completed, must be received at NRA Headquarters by January 10<sup>th</sup> to be considered.

*National Police Pistol Combat Postal Team Match Reporting Forms can be obtained by calling NRA Law Enforcement Competitions at 703.267.1632*
