

Announcing the  
**South Carolina Police Combat League**  
**Monthly NRA Police Pistol Combat Tournaments**

The South Carolina Police Combat League is sponsoring a series of NRA Sanctioned Police Pistol Combat Tournaments in 2019.

Each Tournament will be offering a variety of different sanctioned NRA Matches such as the NRA Open Class Semi-Automatic Pistol Match, Open Class Revolver Match, Production Semi-Automatic Pistol Match, Stock Service Semi-Automatic Pistol Match, Stock Service Revolver Match and the Off Duty Match. Some Tournaments will also offer a hybrid version of the NRA Police Shotgun Match.

### **First Time Shooters**

These Tournaments are a great way for you to evaluate your skill level, identify needed training areas, and practice your handgun skills to keep you prepared for the ever-increasing dangers you face on the street and off duty. You do NOT need any fancy gear or guns to start shooting these matches. Just bring your duty handgun, four magazines, holster & magazine pouch. There is nothing to memorize, the course will be announced as you shoot just like the stages during a qualification and fellow officers will gladly help you out. You can even use your stock duty gun to fire the Open Class Division matches to get started and see how challenging and fun these matches are.

**Scoring:** Competitor scoring will be used. Pursuant to PPC Rule 14.2, NO competitor will score their own target NOR may a competitor score the targets of a competitor from their same agency. If this cannot be avoided due to the Match’s makeup contact a Match Official to score the targets. PPC Rules prohibit the use of plug-type scoring gauges. Overlays and Eagle Eyes may be used by competitors.

Score cards must be signed and are FINAL once signed so **PLEASE** double check the recorded hits and values BEFORE signing.

**Courses of Fire:** The Range Officer will announce the course of fire, shooting positions and time prior to the start of each Match and Stage. Time will start with a loaded gun in holster. To force reloading under time restraints, magazine loading is limited to 6 rounds per magazine.
