OKLAHOMA STATE CHAMPIONSHIP
POLICE PISTOL COMBAT TOURNAMENT

The Oklahoma FOP Lodge #122 Pistol Team is conducting back-to-back NRA Police Pistol Combat Tournaments from July 31st through August 3rd at the Norman Police Department Training Facility.

By having multiple Back-to-Back Tournaments you can compete in three separate Tournaments with all Fired scores eligible for NRA Classification, increase the number of matches you can fire, and allow you to save travel costs and time.

We will start with a Registered Tournament on Wednesday, July 31st. Then the Dale DeBerry Memorial Regional Police Pistol Combat Tournament will be fired on Thursday August 1st and Friday August 2nd followed by the Oklahoma State Championship Police Pistol Combat Tournament on Saturday August 3rd.

These Tournaments are a great way for you to evaluate your skill level, identify needed training areas, and practice your handgun skills to keep you prepared for the ever-increasing dangers you face on the street and off duty.

~ NEW SHOOTERS ~

You do NOT need any fancy gear or guns to start shooting these matches. Just bring your duty handgun, three magazines, holster & magazine pouch. There is nothing to memorize, the course will be announced as you shoot just like the stages during a qualification and fellow officers will gladly help you out. You can even use your stock duty gun to fire the Open Class Division Matches if you have four magazines. This will let you see what the other matches are like and how challenging and fun these matches are.

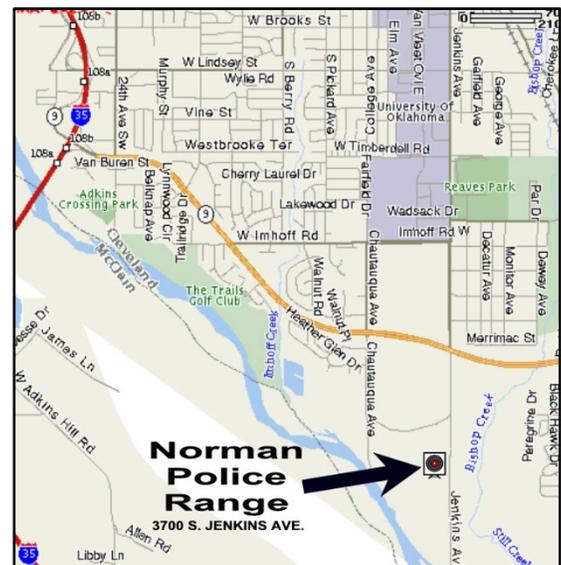

Point of Contact: Please contact Joshua Barker at 405.830.8712 or Robert Wasoski by e-mail at Robert.Wasoski@normanok.gov for more information about the Tournaments.

These include active and retired Law Enforcement Officers, and full time Police Firearms Instructors, Transit Police, Penal Institution Guards, Industrial Police which includes Bank Guards and Armored and Express Company Guards, and Military Police. Federal Flight Deck Officers who hold valid certifications are also eligible.

NRA Membership is not required for any NRA Competitions but is encouraged. A special law enforcement discount form for NRA Membership and Renewal will be available at check in for law enforcement members.

Civilian: We have a special Non-NRA category for non-commissioned civilians who are NRA Members over the age of 18 provided they can follow all range commands, safety rules, and Tournament conditions as Classified Law Enforcement competitors. Civilian competitors must be sponsored by a CLASSIFIED PPC COMPETITOR. The Tournament Director reserves the right to disqualify any civilian competitor felt not to be able to compete safely, or follow Tournament rules and conditions.

Civilian competitor scores are not be reported to the NRA and no NRA Police Pistol Combat Classification Cards will be issued by NRA Law Enforcement Competitions.

Civilian competitors will compete against each other for Awards and if numbers call for it they will be broken down into subgroups.

Team Eligibility: Team Match Registration for all Tournaments will take place on-site. Team Matches in each of the three Tournaments will consist of two or four firing members and a Team Captain. The Team Captain may be a competing member of the team. Police Pistol Combat Rule 2.8 requires that all team members must be from the same agency. Membership can include officers retired from the agency if they are not now employed by another eligible agency. Eligible Military competitors who are also regular full time law enforcement, industrial law enforcement, or reserve/auxiliary law enforcement must sign up with other members from their law enforcement agency. No "pick-up" teams are allowed.

Agencies MAY enter more than one Four Officer or Two Officer Team in each Match type. However, team members may not be on a Four Officer and a Two Officer Team in the same in Match type. For instance, a competitor may not be a member of a Four Officer Open Class Revolver Team and a member of the agencies Two Officer Open Class Revolver Team.

Individual Classification: Competitors will be entered using their current NRA Police Pistol Combat Classification of High Master, Master, Expert, Sharpshooter, Marksman, or Classified. Competitors with expired Classifications and **new shooters** with no Classification or those without a Temporary Record Score Book will fire in the High Master Class as required by PPC Rule 19.2.

You can check your current NRA Classification at LEcompetitions.nra.org or by using your smart phone camera to scan this Quick Reader Code or PRESS the CTRL Key and click your cursor on it.

Team Classification: The teams will be Classified based on the Individual Classifications of each Team Member following NRA PPC Rule 19.16. To assist Team Captains in formulating their team membership, Rule 19.16 is printed below.

19.16 Team Classification: Teams are classified by computing the Team Average Classification” based on the individual classification of each firing team member. To compute the Team Average Classification each team member is assigned a classification value based on their individual classification using the below table.

The Classification Value for all team members is then added together and the sum is divided by the number of team members. The resulting number is used to determine the Team Average Classification by using the same table. Fractions of .5 are rounded up and will place the team in the next higher class. The “team average classification” will not affect in any way the individual classification of team members.

Example: Team member 1 holds an Expert Classification so is assigned a Classification Value of 4. Team Member 2 holds a Marksman Classification so is assigned a Classification Value of 2. Team Member 3 also holds an Expert Classification so is assigned a Classification Value of 4, Team Member 4 holds a Master Classification so is assigned a Classification Value of 5. Adding the Classification Values together gives a total of 15. Dividing this by 4 (total team members) gives a Team Average Classification of 3.75. Since fractions of .5 are rounded up, 3.75 is rounded up to 4 and classifies the team as Expert.

CLASSIFICATION VALUES

Classification	Value
High Master	6
Master	5
Expert	4
Sharpshooter	3
Marksman	2
Classified	1
Unclassified	0

 The **NRA** has made it clear that **NO** matter what **APPROVED** Replacement Sight is used, the sights **MUST** keep a **Duty Gun Point of Aim/Point of Impact**, **NOT** a competition set up, such as a **Neck Hold, Shoulder Hold, or Head Hold**.
 A **Duty Gun Point of Aim/Point of Impact** sight set up requires the sights to be aligned on the **X Ring/Center Mass** to obtain a **Hit** in the **X Ring/Center Mass** area.
 Pistols with competition sight set ups will be **Disqualified**, even if having already been used to fire a **Match**. Competitors may be required to allow their pistol to be test fired, or checked with a **laser boresighter** to check the sight set up.
