

## National Police Shooting Championships Program NPSC Postal Tournament Application

**Applicant Requirements:** Any organization with an Outdoor PPC Range that has Turning Target Systems with a minimum of 10 firing points may apply to conduct a NPSC Postal Tournament. The Tournament Director, Chief Range Officer, and Statistical Officer must have served in these capacities in the past in a Sanctioned Police Pistol Combat Tournament.

**Tournament & Matches Dates:** NPSC Postal Tournaments must be held between August 27<sup>th</sup> and October 3<sup>rd</sup>, 2022 so that they overlap with the Championships in Pearl, Mississippi. This provides 6 weekends and all weekday's in-between available for your Matches.

Tournaments can be just one day long, run multiple consecutive days, such as running three Matches on Saturday September 9<sup>th</sup>, and two Matches Sunday September 10<sup>th</sup>, or run on multiple days within a set Tournament Date Range. For instance, selected Revolver Matches are scheduled for Sunday August 28<sup>th</sup> and the Semi-Automatic Matches are scheduled two weeks later on Saturday September 3<sup>rd</sup> when the club's range is available again. Any days within August 27<sup>th</sup> to October 3<sup>rd</sup> may be used for your Tournament Date Range.

**Matches Conducted:** If you have the staff and range availability, you can apply to conduct every one of the Individual and 2 Officer Team Matches normally fired at the Championships, or any combination of the Matches you want to and can be accommodated on your ranges.

For instance: You can just run the Open Class Matches and the Off Duty Revolver Match.

If you do not have access to a 50 yard range you could run all, or any of the 25 yard Duty Gun Matches.

Open Class Division Reduced Round Count Matches cannot be used.

All Team Matches, must be separate Fired Matches.

**Existing Tournament Options:** *Check the appropriate box on the NPSC Postal Tournament Application based on your decision.*

- If you already have a Registered, Regional, or State Championship Tournament Approved during the NPSC Postal Tournament Date Range, or planned to apply to have one Approved:
  - ~ You can complete this Application and request to have your current Tournament changed to a NPSC Postal Tournament, or you can run your current Tournament concurrently with your NPSC Postal Tournament. You just need to complete this application and update your Tournament Program so competitors are aware of what NPSC Postal Tournament Matches you are running and what the schedule is.
  - ~ Or, you can request that your existing Registered, Regional or State Tournament be changed to a NPSC Postal Tournament by completing this application.
- If you already have a Registered Tournament already approved and want to run a NPSC Postal Tournament in its place, your existing Tournament will be reclassified to a NPSC Postal Tournament.
- If there are Matches you would like to add to your existing Tournament for the NPSC Postal Tournament you can do so.
- **Tournament Scores:** You will use the scores fired in your Tournament for your local Tournament Results and awarding any local awards and prizes as normally done. Once received by the NRA the scores will be used for entry into the Classification Database and computing the NPSC Postal Tournament National Results. Please see the Score Reporting section below for additional details.

**Tournament Fees:** The NPSC Postal Tournament Match Fees are \$ 8 per Match per shooter. The Match Fee is higher than other Sanctioned Tournaments as the NRA will provide NPSC Postal Tournament Award Trophies for each Tournament and National Award Trophies once scores are finalized at the National level.

If you will be running your NPSC Postal Tournament concurrently with your Regional or State Championship, only the NPSC Postal Tournament Match Fees apply. You will not have to submit separate Regional or State Match Fees.

**Registration & Statistical Operations:** NPSC Postal Tournament Registrations and Statistical operations are handled by the Host Tournament Staff as with any other local Tournament. Tournament Host may set a Registration Limit so that Statistical and Range Operation schedules can be maintained.

**Score Reporting:** NPSC Postal Tournament individual scores will be reported using special NRA provided SR-500 Score Report Forms. Team scores will be reported using NPSC Postal Team Cards. Distinguished Production Pistol scores will be reported by sending the competitors NRA Distinguished Production Scorecard as done for all other Tournaments

No electronic reporting will be accepted for this Tournament.

Scores must be received by NRA Law Enforcement Competitions by midnight on Tuesday, October 11, 2022.

**Competitors Firing in Multiple NPSC Postal Tournaments:** Since not all NPSC Postal Tournament locations will offer all of the NPSC Postal Matches, competitors may fire at multiple NPSC Postal Tournament locations so that they can take part in all the Matches they want to. However, if a competitor shoots the same Match at more than one NPSC Postal Tournament and duplicate Match Scores are received by NRA, only the first score received for the Match involved will be recorded. If a competitor fired NPSC at Pearl and at a NPSC Postal location, only the NPSC Pearl scores will be counted.

**Distinguished Award Points:** When a NPSC Postal Tournament is run concurrently with a Regional or State Championship Tournament, Distinguished Award Points will only be awarded for the local Tournament. The Distinguished Scores will however count for the NPSC Postal Tournament National Results.

**Regular NPSC Scores from Pearl, Mississippi:** As with other local Concurrent Tournaments, NPSC scores will be used to determine the local results and will establish the 2022 NPSC National Champions and are the only scores that are eligible for NPSC Records. The scores will then be combined with NPSC Postal Tournament scores for the National Postal Tournament Results Bulletin.

**NPSC Postal Tournament Award Trophies:** The NRA will provide local NPSC Postal Tournament Award Trophies based on the Matches you conduct. If you are running your Regional concurrently with your NPSC Postal Tournament you will also receive the normal Regional Medallions and Award Trophies. Once the NPSC Postal Tournament National Results are finalized, National level winners will receive separate NRA Awards.

NPSC Postal Tournament Applications must be received 60 days prior to the Tournament date for the Tournament to be eligible for NRA Postal Tournament Trophies. There is no reduction in Match Fees if the cutoff date is missed.
