

Announcing the  
**South Carolina Police Combat League**  
**Monthly NRA Police Pistol Combat Tournaments**

The South Carolina Police Combat League is sponsoring a series of NRA Sanctioned Police Pistol Combat Tournaments in 2024.

Each Tournament will be offering a variety of different sanctioned NRA Matches. Such matches may include the Production Pistol Match, Stock Service Semi-Automatic Pistol Match, Stock Service Revolver Match, and the Off Duty Matches, including the new Off Duty Production Duty Optic Match. Additionally, an approved hybrid version of the NRA Open Class Semi-Automatic Pistol, Open Class Duty Optic Pistol, and Open Class Revolver Matches will be offered. Some Tournaments will also offer a hybrid version of the NRA Police Shotgun Match. Other events will be posted on the South Carolina Police Combat League website at [www.scpcl.org](http://www.scpcl.org).

**First Time Shooters**

These Tournaments are a great way for you to evaluate your skill level, identify needed training areas, and practice your handgun skills to keep you prepared for the ever-increasing dangers you face on the street and off duty. You do NOT need any fancy gear or guns to start shooting these matches. Just bring your duty handgun, four magazines, holster & magazine pouch. There is nothing to memorize, the course will be announced as you shoot just like the stages during a qualification and fellow officers will gladly help you out. You can even use your stock duty gun to fire the Open Class Division matches to get started and see how challenging and fun these matches are.

**Point of Contact:** Please contact David Collins at [scpclsecretary@gmail.com](mailto:scpclsecretary@gmail.com) for more information or you can check the website at [www.scpcl.org](http://www.scpcl.org).

**Governing Rules:** Current NRA Police Pistol Combat Rules will govern throughout the Tournaments. All competitors are encouraged to review the current PPC rules. The NRA Police Pistol Combat Rule Book is available on-line at [ppc.nra.org](http://ppc.nra.org).

**Eligibility:** Open to any eligible law enforcement member as outlined in Police Pistol Combat Rule Section 2.4.

**Classification:** Competitors will be entered using their current NRA Police Pistol Combat Classification of High Master, Master, Expert, Sharpshooter, Marksman, or Classified. Competitors with expired Classifications, new shooters with no Classification, or those without a Temporary Record Score Book will be registered in the High Master Class as required by PPC Rule 19.2. Competitors may check their current NRA Classification at [LEcompetitions.nra.org](http://LEcompetitions.nra.org).

---

*Please note that the NRA has made it clear that **NO** matter what **APPROVED** Replacement Sight is used, the sights **MUST** keep a Duty Gun Point of Aim/Point of Impact, not a competition set up, such as a Neck Hold, Shoulder Hold, or Head Hold.*

*A Duty Gun Point of Aim/Point of Impact sight set up requires the sights to be aligned on the X Ring/Center Mass to obtain a Hit in the X Ring/Center Mass area.*

*Pistols with competition sight set ups will be Disqualified, even if having already been used to fire a Match. Competitors may be required to allow their pistol to be test fired, or checked with a laser boresight to check sight set up.*
